Nevis area Business Owner:

We have a successful Chamber in the Nevis area because of our members and we are looking for people to make it even more successful. New members always bring new ideas. Do you have an idea for a project that will benefit the community? Do you have an idea that would benefit our business community? In these uncertain financial times, we need to be even more creative and work together to maintain and grow our businesses. Working together we can make a difference.

Joining the Nevis Civic and Commerce Association is mutually beneficial. We can help you promote your business. Enclosed you will find a list of benefits you will receive as a member. We invite you to take a look at our chamber website (www.nevischamber.com) and see how wonderful the city of Nevis and it's businesses look on the worldwide web. Our visitor's center located downtown along the Heartland Trail is a great resource for member business' to display their brochures and menu's.

Because of our many civic-minded members, we are able to hold very popular and successful events in Nevis. The annual Easter Egg Hunt, the Northwoods Triathlon, Muskie Days, Pig Races, the annual Christmas celebration, and many more events are all made possible because of our dedicated members. In addition to helping fund community events, the Nevis C&C was able to make the following donations in 2010 to several worthwhile causes including: Headwaters Intervention kids day program \$500; Pam Lindow Foundation Dollars for Scholars \$3,080; Lets Go Fishing \$1,500; Nevis Senior Citizens Center \$3,000.

We invite you to attend our meetings. We currently meet the third Monday of each month at the city administration office. The meetings are held from 6 to 7pm.

Please take a moment to review the membership benefits. Your membership and involvement will help us to continue our work in making Nevis a great place to live, visit, and enjoy life.

Thank you,

Nancy Lewis
