

Our mission is to be a creative and vibrant association of businesses and individuals working for the betterment of life and commerce in Nevis and the surrounding area.

Nevis C&C meetings are held on the third Monday of each month at 6pm.

Please join us.

What can the Nevis Civic & Commerce Association do for you?

Networking: The C & C gets together to share ideas about the betterment of our community. It is important to have support of fellow business and community members that have common interests.

Events: The Nevis community is thriving with events for both the locals and tourists throughout the year. Events bring people into town which helps boost the local economy.

Value: YOUR voice, ideas and support are valued. What you put in is rewarded tenfold by the outcome!

Involvement: “Many people are good at talking about what they are doing, but in fact, do little. Others do a lot, but don’t talk about it; they are the ones who make a community live.” ~Jean Vanier

Strength: Unity is Strength. With teamwork and collaboration, wonderful things can happen in our community!

GIVE US AN “I”.... GET INVOLVED!

There are always challenges and new ideas that can provide an opportunity for growth and prosperity in our community. We appreciate the contributions and support of all of our members.
